**You need:**

- 2 cups plain flour (all purpose)
- 2 tablespoons vegetable oil
- 1/2 cup salt
- 2 tablespoons cream of tartar
- Up to 1.5 cups boiling water (adding in increments until it feels just right)
- food colouring (optional)

**Method:**

- Mix the flour, salt, cream of tartar and oil in a large mixing bowl
- Add food colouring TO the boiling water then into the dry ingredients (colour optional)
- Stir continuously until it becomes a sticky, combined dough
- Allow it to cool down then take it out of the bowl and knead it vigorously for a couple of minutes until all of the stickiness has gone. *This is the most important part of the process, so keep at it until it’s the perfect consistency!* *(If it remains a little sticky then add a touch more flour until just right)*

*Voila!*
